

SPRING 2025 BSD Co-ed Volleyball League

This league is a social but competitive league. Players sign up individually and captains draft them to form competitive teams in each division. Players rotate in and out (no subbing occurs) to encourage fair and equal playing time for all. Teams often socialize together after matches, so it can be a great way to meet new people! All matches are played on **Thursday evenings** starting at 7:00 PM at the **Adventist Healthcare Fieldhouse** (part of the **Maryland Soccerplex** -- www.mdsoccerplex.org) in Germantown, MD.

- **Mon Feb 24 – Registration ends** (\$90 all players)
registrations **accepted** after this are \$95 for everyone and are **not** guaranteed to play (although we work hard to make it happen!)
- **Mar 6, Mar 13, Mar 20** – Preseason/tryouts
- **Apr 3 thru May 8** – Regular season
- **May 15, May 22, May 29** – Playoffs!

FORMAT: The league will be divided into multiple divisions to accommodate up to 34 teams. The number of divisions & teams in each division and the number of men & women per team will be determined by the league commissioners after registration closes. The league commissioners and team captains will hold drafts to determine the teams in each division.

If you have not played in this league before, it is important to provide as much information as possible about your skill level on the registration form (leagues & levels played, clinics, tournaments, and any other information). NEW PLAYERS especially should try to be there for the first night of preseason! Doing so will help captains draft you at a division suitable for your skill level.

All registrants must sign the waiver (check the box in the online form) to play in the league. Submitting the online registration implies compliance with the waiver and your agreement to adhere to league rules as stated on the website. This statement qualifies as the only warning given – violations of the rules will not be tolerated. By registering for this league you will be held accountable for all league policies and procedures. **Players must be 14 years old by the start of preseason; players under 18 are required to have a parent or guardian present during their matches; players 14-15 years old must be paired with a parent or guardian.**
